

Philips PowerPro

Bagless vacuum cleaner with PowerCyclone technology

- 2100W
- PowerCyclone 5
- HEPA 12 filter

FC8764/01

40% more dust pick-up for a better clean

With PowerCyclone technology and AeroSeal nozzle

The new Philips PowerPro FC8764/01 bagless vacuum cleaner picks up more dust in one go, so your floor gets cleaner with fewer strokes. You can therefore spend more time doing the things you really enjoy.

Benefits

More dust pick-up for faster cleaning

- AeroSeal nozzle captures more dust and fluff per stroke
- PowerCyclone technology separates dust and air in one go
- Powerful 2100 Watt motor for excellent cleaning results

Easy to clean

- Advanced dust container design for easy emptying

Extra long reach for convenient cleaning

- More cleaning with less effort

PHILIPS

Features

AeroSeal nozzle

The AeroSeal nozzle captures more dust and fluff per stroke thanks to the special designed soleplate. It gently opens up the carpet to remove the dust deep down. Thanks to the optimal sealing the dust is transported into the cyclone with maximum airflow.

PowerCyclone technology

The PowerCyclone technology delivers best cleaning results in one go through 3 highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber. 3) At the top of the cyclone, the exit blades effectively cut out the dust from the air.

2100 Watt motor

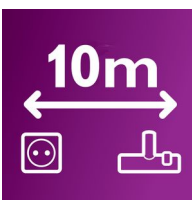

This powerful 2100 Watt motor generates max. 370 Watt suction power for excellent cleaning results.

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

10 m action radius

10 m action radius for cleaning with less effort.

Specifications

[field not found 'disclaimer_text']

Design

Color Deep black

Filtration

Exhaust filter EPA 12 filter
Motor filter Lifetime washable filter
Dust capacity 2 l
HEPA Air Seal Yes

Nozzles and accessories

Accessories included Brush
Crevice tool
Small nozzle
Accessory storage On tubeclip
Standard nozzle AeroSeal nozzle

Performance

Airflow (max) 38 l/s
Input power (IEC) 1800 W
Input power (max) 2100 W
Noise level (Lc IEC) 80 dB
Suction power (max) 370 W
Vacuum (max) 34 kPa

Sustainability

Packaging > 90% recycled materials
User manual 100% recycled paper

Usability

Carrying handle Top and front
Tube coupling Easy release
Power control Electronic on appliance
Tube type Metal 2-piece telescopic tube
Wheel type Rubber
Action radius 10 m
Cord length 7 m

Weight and dimensions

Weight of product 5.5 kg
Dimensions of product (LxWxH) 440 x 300 x 290 mm

Packaging dimensions

Height 31.00 cm
Width 33.00 cm
Depth 65.00 cm

PowerPro

Nett weight 7.70 kg
Gross weight 9.50 kg
EAN 08710103566656
Number of products included 1

Country of origin CN
Harmonised Systems 850819
Code

** Dust pick-up results compared to the top selling bagless vacuum cleaner in Europe, tested on average by external test institute according to DIN EN 60312/11/2008 on carpet, October 2011
