PHILIPS

Saeco

sense and simplicity

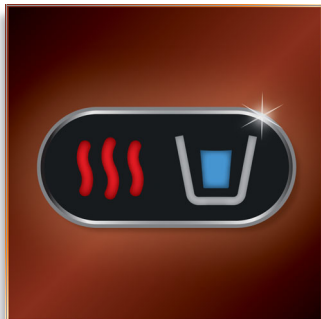

Highlights

Perfect milk foam

The exceptional quality of the milk foam is created by simultaneous heating and high-speed whisking.

Two temperature settings

Easy to use includes easy maintenance: Thanks to the automatic cleaning and de-scaling cycles, you are guaranteed perfect enjoyment every day and maximum longevity for your Philips Saeco automatic espresso machine.

Easy to clean

The anti-stick inner coating and unique frothing mechanism make it easy to clean after use.

360° Base

The cordless 360 degrees pirouette base makes for easy lifting and placing.

Non-drip spout

The specially designed spout makes sure you can pour without dripping.
