

HP Professional Matte Canvas 430 g/m²

HP Professional Matte Canvas is ideal for printing museum-quality display prints, sharp black-and-white photographs and collector editions. This heavyweight canvas has a smooth, bright-white, matte finish.

- HP Professional Matte Canvas enables you to create exquisite museum-quality prints with consistent, precise colours and sharp detail on a bright-white, smooth matte canvas.
- HP Professional Matte Canvas is engineered to deliver consistent performance and impressive durability, handling and water resistance when used with HP Viverna pigment inks.
- Use HP pigment inks when printing on HP Professional Matte Canvas to ensure long-lasting prints with colours that stay true for longer.

Fine artists, professional photographers, art reproduction houses and graphics-oriented print service providers will love HP Professional Matte Canvas which is ideal for creating museum-quality, matte-finish prints.
