

InLine® Interface Card 2 Port Serial 9 Pin + 1 Port 25 Pin Parallel PCIe

* Preise inkl. gesetzlicher MwSt. zzgl. Versandkosten

Marke: INL

Bestell-Nr.: 76622C

- Meets PCI Express Base Specification (Revision 1.1)
- Single-lane (1x) PCI-Express with a throughput of up to 2.5 Gb/s
- multiple cards in one PC possible
- Supported Operating Systems: Windows 2000, XP, 2003, Vista, Win7, 2008 (all 32/64bit), Linux, Mac OSX 10.5 and higher

Serial (RS-232) Interface:

- Compatible with industry standard 16C450 / 16C550 UART
- send / receive FIFO buffers, 256 bytes for each port
- Data transfer rates up to 230 Kbps on each port
- Supported hardware and software flow control
- Supports 5,6,7 and 8 bit serial format
- Supports even, odd, none, mark and space parity
- 1 or 2 stop bit mode

Parallel port:

- IEEE1284 compliant parallel port
- Supports SPP, PS2, EPP & ECP
- Chipset: Moschip MCS9901CV
