Long lifetime up to 8000 hours

On/off switch on article

With the button discreetly integrated into the article, you can easily switch the light on and off.

Philips bulb(s) included

This lamp comes with Philips light bulbs, offering you the best light quality and effect to match your lamp.

Saves up to 80% energy

The big advantage of fluorescent lighting is its energy efficiency. A fluorescent lamp consumes just one fifth of the energy of a conventional bulb. That means installing Philips fluorescent lighting in your home to replace standard bulbs will reduce your lighting electricity bill by around 80%!

Warm white light effect
