Provides optimal power

- Strong lithium-ion battery for optimal power use
- Use corded and cordless

PHILIPS

Features

18 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

Clear view hair chamber

Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

Contour following comb

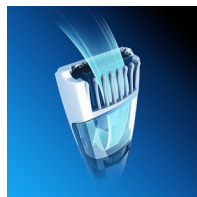

Flexing guide comb that follows every curve of your face for getting an even trim in an easy and comfortable way.

Maintenance free blades

The blades stay sharp and need no oiling, so your product is always ready for use.

Integrated vacuum system

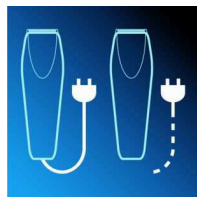

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.

Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in 8 hours for 50 minutes use.

Corded and cordless use

Use your electric beard trimmer corded or cordless with the rechargeable battery for maximum power and freedom.
