Highlights

3 ear can patterns included

You can customise your ear cans with any of the 3 ear can patterns included, or alternatively you can design your own pattern of choice

Hi-sensitivity mini mic

Despite being further away from your mouth, the high-sensitivity mini microphone still picks up your voice so others can hear you clearly

Inline mute and volume control

Convenient inline mute and volume controls allow for quick adjustments

40 mm drivers for extra bass

Acoustically tuned 40 mm neodymium drivers ensure balanced sound performance and solid bass

Soft cushions

The extra-soft cushions of these Philips headphones provide enhanced wearing comfort without feeling hot. The adjustable padded headband ensures a comfortable fit without pressure.
