High light quality with Philips energy saving lamps included

High quality glass

High quality glass

Long lifetime

Long lifetime up to 8.000 hours

Philips bulb(s) included

This lamp comes with Philips light bulb(s), offering you the best light quality and effect, matching your lamp.

Saves up to 80% energy

The big advantage of fluorescent lighting is its energy efficiency. A fluorescent lamp consumes just one fifth of the energy of a conventional bulb. That means installing Philips fluorescent lighting in your home to replace standard bulbs will reduce your lighting electricity bill by around 80%!

Warm white light effect
