Are you creative and do you like to use digital, graphic tools? Then Trust has a range of graphics tablet for you with enhancements which allow you to show off your creative skills.

Trust's tablet range makes it easy for you to use graphical programs. Begin adding your own personal touch to many different features on your computer from letter writing, picture editing, and simple sketching or just for having fun doodling.

Stylus Pen

The Trust Slize Ultra Slim Graphic Tablet comes with an ergonomic wireless, 3 button stylus pen with 2048 step pressure sensitivity. All Trust graphic tablets will come with at least 2 pen tips and a pen tip removal tool to make sure that even after excessive use you still get the best performance from your tablet.

Artweaver Software

The range of Trust graphic tablets comes with editing software called Artweaver. Artweaver is a painting program which is suitable for beginners but also suitable for advanced users. You can record all your steps and replay them afterwards or provide them to other users. Also there are many tools and features like layers and effect filter. Artweaver has an intuitive and easy to use program window. But you can also adjust it to your own needs. For example free arrangement and docking of palettes. Artweaver includes a big number of predefined brushes. But you can also configure each brush individually or create new custom brushes.
