Highlights

25dB amplification

Up to 25dB amplification boosts weak signals, expanding your reception range and allowing you to receive more signals over a greater distance.

Unique flat design

This antenna will easily fit in your home décor.

Wall-mountable

It allows you to position your antenna conveniently to receive maximum signal strength while out of sight

Adjustable gain control

Allows you to easily improve reception range

Superior noise filtering

Superior noise filtering protects against signal loss.

PVC / BFR free

This product does not contain PVC and BFR materials to respect the environment.
