

52.812

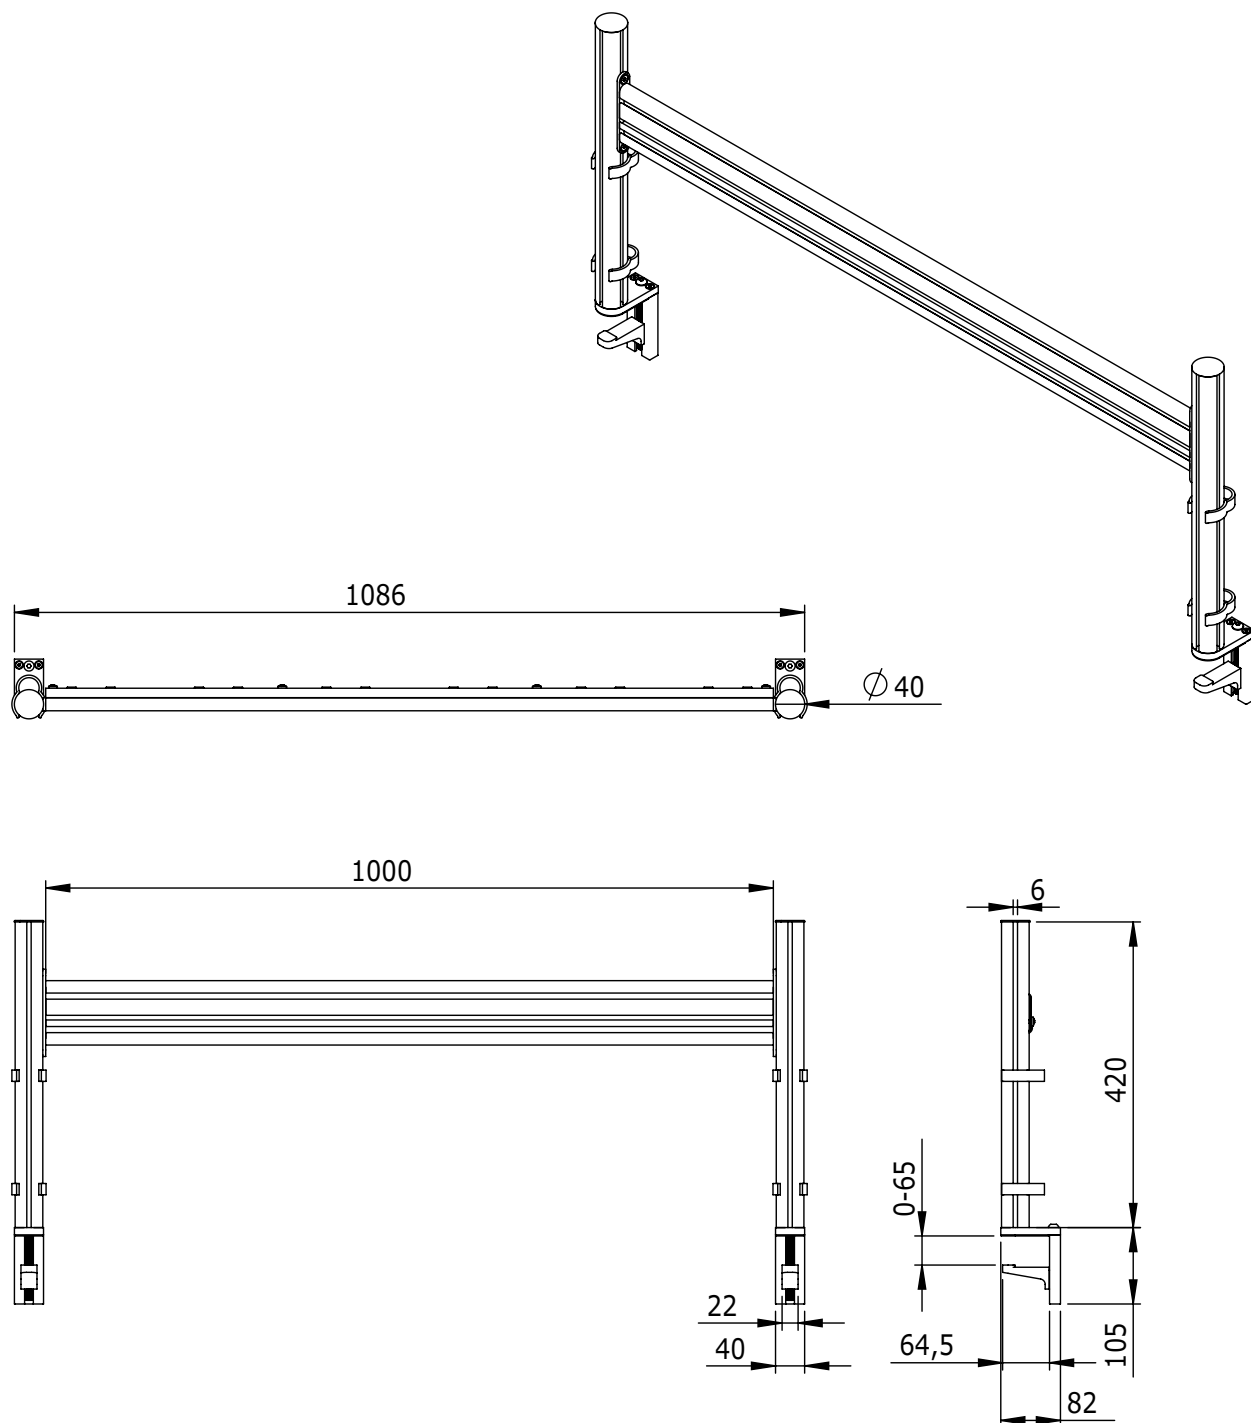

ViewMate Track system 812

This fully aluminium, height adjustable, slat wall/rail system has an integrated double desk clamp. This so called 'third level' solution is a great addition to the workspace. Able to mount desk accessories and monitors (in combination with the 52.802) it ensures maximum desk efficacy. Each rail mounts up to three monitors.

- Aluminium Slat wall track
- Single rail
- Mounts to desk with double desk clamp
- Clamp capacity 10-65mm
- Track width 1000mm
- Post height 420mm
- Height adjustable
- Monitor mount (52.802) must be ordered seperately
