Highlights

Keratin infused ceramic plates

Keratin infused ceramic plates for ultimate shine and ultrasmooth gliding

Gentle vibrating plates

Gentle and pleasant vibrations evenly distribute the hair over the plates so that each hair benefits from the care effects.

Style refresh

Automatic setting for healthy restyling. Maintain your style all day, while respecting the quality of your hair

Ion Conditioning

Ion Conditioning for shiny, frizz free hair

Digital settings

Digital settings with adjustable heat to get smooth results with all hairtypes

Instant heat up

The straightener has a fast heat up time, being ready to use in 30 seconds

Safe usage

Some hair straighteners and curling irons have been equipped with an automatic shut-off feature. This feature has been designed to provide peace of mind. If left on, the appliance will automatically switch off after 60 min.

Easy lock

Easy lock for convenient storage

2.5m cord

The longer length results in improved flexibility and ease of handling, so you can use it anywhere you want.
