- Outer carton (L x W x H): 10.7 x 7.8 x 8.0 inch
- Nett weight: 0.397 lb
- Gross weight: 4.189 lb
- Tare weight: 3.792 lb
- GTIN: 1 06 09585 18550 7
- Number of consumer packagings: 6

Highlights

Connector tips included

Due to the interchangeable connector tips that are included, this device is fully compatible with most portable devices from a very wide range of brands. Simply choose the connector tip to match your portable device.

Charging status indicator

Via the illuminated Philips logo, you are informed about the charging status of your device. When the Philips logo starts flashing you know your device is fully charged, so you can unplug it from the power outlet and prevent unnecessary energy consumption.

Travel bag included

The travel bag supplied with this device is both convenient and useful as it provides extra protection.

Retractable cable

When you're not using the power solution, the cable can be retracted automatically, preventing annoying tangles.

Connector tip holder

To prevent loss or damage, you can safely store all the interchangeable connector tips that you need for your portable equipment in the holder.

Overcharge protection

Once charged, a protection circuit ensures no more power is provided to the batteries of your portable device.

Charge from a car's 12V outlet

The compact charger plugs into a car's 12V outlet, and connects to your device for easy and convenient charging on the road.
