- Personalize your sound and button via Philips Headset App

Always ready to go

- A 1.2m long cable that is ideal for outdoor use
- Anti-tug design for an extra secure fit

Features

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

PHILIPS

For optimal fit in all ears

With a choice of 3 interchangeable ear caps from size small to large, surely there is a pair that makes these Philips earphones fit your ear perfectly.

Anti-pull design

Thanks to its unique design no matter what activities you participate in these headphones will remain securely and comfortably inside your ears. When the cable is pulled they grip tighter.

Flexible rubber earhooks

The rubber earhooks provide a non-slip grip for an extra secure and comfortable fit, ensuring that the headphones remain in place for hours of comfort. Ideal for active use.

Passive noise isolation

The perfect, snug fit inside your ear stops unwanted background noise detracting from the pure pleasure of your favorite music. This means you still enjoy the headphones' superb sound quality at lower volume settings, and also benefit from a longer battery life.

Turbo Bass

The unique bass wave design 'turbo-charges' the low tones by directing them towards your ears. The result is a fantastic realistic and a more involved experience.

Ultra small efficient driver

This means you still enjoy the headphones' superb sound quality at lower volume settings, and also benefit from a longer battery life.

Integrated microphone

With the integrated microphone and call button you can use this Philips headset for music as well as calls from your mobile phone. Enjoy handsfree calling, while easily accepting and ending calls from your headset.

Your own personalization

Download the Philips Headset App to personalize the sound of your headset as well as the remote to Answer/ End call, Play/ Pause music, Adjust volume +/-, and Change tracks.
