Passionate about multimedia

- Enjoy Bluetooth stereo music
- MicroSD memory card slot for extra memory/ data storage
- 5 megapixel autofocus camera with flash

PHILIPS

Highlights

Cool LED display

Your phone's LED panel displays preset graphic icons on the external LED display in a cool and fun way when you close its clam shell cover. Enjoy interacting with your phone as you attend to alerts, messages or incoming or missed calls!

Dazzling visual effect

Your Philips mobile phone features dynamic graphics with a dazzling flash effect to alert you to an incoming call or message - or just add a fun element to your mobile experience. You can also personalize your phone by matching the graphics to certain contacts or even phone functions.

Quick access hotkeys

Easily access your messages, MP3 player or the Internet simply by hitting the assigned quick access hotkeys. At a touch, you can enjoy a favorite song, write a message, or surf the web!

Up to 1 month standby time

The phone can be on and in standby mode continuously for up to 1 month on a single charge.

Up to 8 hours talk time

The phone can support up to 8 hours conversation on a single charge.

Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

5 MPixel AF camera with flash

Capturing memorable moments is as simple as point-and-shoot. A built-in flash allows you to capture clear, sharp images - even in dim lighting conditions.
