Ricoh Aficio SP 1200SF

User-friendly multifunctionality for more efficient workflow. Your office or workgroup may be small—but your personal workload isn't. With an evolving list of challenges, you need a convenient, black & white multifunction laser system that allows you to streamline workflow and improve productivity. The RICOH® Aficio® SP 1200SF offers outstanding flexibility in a compact design, making it ideal for completing a wide range of everyday office tasks efficiently and cost-effectively. This user-friendly, walk-up system offers exceptional all-in-one performance, integrating seamlessly with Ricoh's Managed Document Services strategy and the dependable service and support that users have come to expect.

Designed for ease of use and long-lasting reliability, the Ricoh Aficio SP 1200SF offers copier/printer/scanner/fax versatility in a space-saving design.

VersatilityValueExceptionalEfficiency

Outstanding Efficiency for Optimal Value

The Ricoh Aficio SP 1200SF offers reliable multifunction performance—including print, copy, scan and fax capabilities—to enhance productivity.

- Accomplish more tasks in less time. The SP 1200SF delivers documents at 23 pages-per-minute so you can quickly transition to the next project.
- Print a wide range of professional-looking documents with impressive laser image quality at resolutions up to HQ1200 dpi.
- Share or archive documents easily with black-and-white or color hardcopy scanning. Plus, scanned files can be converted to searchable and editable text for fast, effective review.
- Fax documents to clients at the fastest speeds available and reduce long-distance charges with the 33.6 Kbps Super G3 modem.
- Collect your document output almost immediately with a warm-up time of less than 18 seconds and a first-print time of 10 seconds or less.

Smart, Sleek Design

Specifically designed to maximize efficiency in small offices, the Ricoh Aficio SP 1200SF offers fast, feature-rich functionality in one solution.

- Save space in virtually any environment with an extremely small footprint and front-access design. With a height of only twelve inches, this system is among the most compact devices in its class.
- Execute jobs and view system status and maintenance tasks in seconds with the easy-to-use, two-line LCD control panel.
- Accommodate a wide range of media sizes—including up to 8.5" x 14" documents in the standard paper tray and up to 90 lb. Index in the bypass tray—for more output options, including letterhead and envelopes.
- Access the SP 1200SF directly from the desktop with out-of-the-box connectivity via the built-in USB 2.0 interface.

Cost-Efficient Innovation

Streamline workflow and reduce total cost of ownership with a wide range of built-in, time-saving features that make everyday tasks easier.

- Minimize maintenance and operating costs with the detachable toner and drum combination. Users can quickly remove and replace the toner cartridge from the drum's permanent framework in an easy, two-step process.
- Combine multiple two-sided documents—including checks, IDs and other forms—into a single document with ID Copy. Up to four pages can be consolidated onto one page to save even more paper.
- Expedite multi-page copying and faxing with the standard 35-sheet Automatic Document Feeder (ADF) for streamlined workflows.
- Create, remove, insert and replace pages in PDF files with ScanSoft PaperPort software. Users can split multiple PDF pages into separate files or merge several PDF files into one for even more convenient document management.

An innovative drum/toner combination allows users to replace the toner or drum separately.

The standard 35-sheet Automatic Document Feeder allows users to copy, scan and fax multiple hardcopy documents quickly and easily with the push of a button.

The Total Green Office Solution

Ricoh continues its long-standing commitment to developing office solutions with environmentally friendly and superior energy- and supply-saving features, without compromising productivity.
