Highlights

\$350,000 equipment warranty

Protects your connected equipment for the life of the product.

4 ft power cord

Provides power to the unit which can be 4 feet from the AC outlet.

Cord Management

A cord management device that allows the cable/cords to be routed in the same direction for a more organized appearance

10 outlets - 4 adapter spaced

10 outlets - 4 adapter spaced allow you to plug oversized adapter plugs without blocking the other outlets.

Power Blocker

Automatically shuts down power to the connected devices.

Pure Power

Purifies electrical current to improve picture quality.

3200 Joules

Prevent thousands of dollars of damage to your electronic devices.

Protected coax connections

Connectors route the coaxial signal through the surge protector to protect against surges and spikes.

Protected phone connections

These connectors accommodate and RJ11 cord, routing the telephone line through the surge protector to guard against spikes and surges.

automatic child safety outlets

Helps keep children safe from accidental shock.

Protection indicators

LED lights let you know if your surge protector is functioning properly.
