

i-tec Dual USB Car Charger 2.1 A

i-tec Dual USB Car Charger 2x USB 2.1A, for iPad/iPhone, Samsung phones and tablets

PRODUCT DESCRIPTION

The ADVANCE Series is the highest level of i-tec accessories bringing you the cutting edge technologies of products with a modern design and exclusive packaging.

i-tec Dual USB Car Charger 2.1 A is an adapter for charging your mobile devices in your car, caravan or wherever where cigarette lighter (CL) socket is available. 2 USB ports DC 5V / 0.5A – 2.1A are designed for fast and efficient charging of mobile equipment requiring high charging current, e.g. smartphones, tablets, MP3 / MP4, cameras. iPad/iPhone and Samsung phones and tablets can be charged on any port. Overcurrent protection and constant charging current ensures safe use.

In case of problems with the installation, technical difficulties or incorrect function of the equipment, check first for the possible solution in the FAQ tab.
