PHILIPS

Highlights

High light output

High-quality light with strong light output. The light shines at a beam angle of 40° - the perfect angle for spot lighting.

high power LED lights that last up to 20,000 hours, while providing their best light output.

with no jutting edges or awkward shapes to distract from the décor of your room.

Dimmable

Adjustable light intensity with dimmer switch. This makes Philips SmartSpot lighting fixtures ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room or offering functional light in corridors for example.

Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

Warm white light effect

Philips SmartSpot LED uses the very latest LED lighting technology with the new warm white state-of-the-art high power LEDs providing a beam of light with a colour temperature of 2700 Kelvin.

Extremely long life

Extreme long-life with reliable performance. Philips SmartSpot lighting fixtures are based on

Saves up to 80% energy

Every Philips SmartSpot lighting fixture conserves energy, helping you to save money on your electricity bills and do your bit for the environment.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Sleek and discreet designs

These modern lamps with recessed styles are sleek and discreet, and fit perfectly into ceilings
