Privacy Filters

Framed Privacy Filters

Now fit your widescreen LCD!

3M Lightweight Privacy Filters

With LCD monitors available in a wide range of sizes and styles, finding a privacy filter with just the right fit is more important than ever. 3M Lightweight Privacy Filters offer the only framed option available for widescreen LCD monitors. Extremely lightweight and easy to attach without affecting monitor height, 3M Lightweight Privacy Filters reduce glare 95% and provide worry-free privacy that's designed to fit your widescreen LCD perfectly.

3M Lightweight Privacy Filters

The only framed widescreen LCD desktop monitor privacy filter available.

- Extremely lightweight - will not lower monitor height
- Patented removable attachment method requires no hanger arms; can be removed and replaced many times without affecting attachment system strength
- Keeps on-screen information private. From the side, others see a darkened screen, providing worry-free privacy
- 3M Privacy uses nearly invisible micro-louver technology to darken the screen when viewed from the side
- Reduces screen glare up to 95%
- Available in sizes to fit both standard and widescreen desktop LCD monitors
- High quality – proudly made in the U.S.A.
- One year warranty

Easy attachment system! Patented Command™ strips allow you to remove and replace filters many times without affecting attachment system strength.

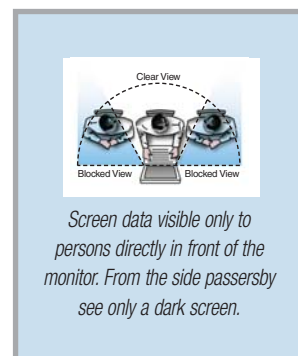

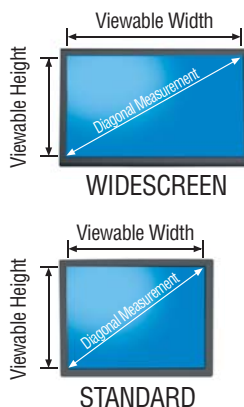

Order the Correct 3M™ Privacy Filter

Choose from widescreen or standard size to assure the correct fit for your notebook or LCD monitor.

NOTE: Monitor Size and Viewable Area are diagonal measurements.

For proper fit, do not include the plastic monitor or laptop frame in your measurement.

Lightweight Desktop LCD Filters	Filter Viewing Area Height x Width	Viewing Area Diagonal	Fits Monitor Size
PF317	10 15/16" x 13 5/8"	17 3/8"	17.0" Standard LCD
PF319	12 3/8" x 15 5/16"	19 3/4"	19.0" Standard LCD
PF317W	9 1/2" x 14 15/16"	17 3/4"	17.0" Widescreen LCD
PF319W	10 9/16" x 16 11/16"	19 3/4"	19.0" Widescreen LCD
