Specifications

Packaging dimensions

- Packaging dimensions (W x H x D):
4.8 x 18.4 x 2 inch
- Nett weight: 1.444 lb
- Gross weight: 1.687 lb
- Tare weight: 0.243 lb
- UPC: 6 09585 20134 7
- Number of products included: 1
- Packaging type: Box

Outer Carton

- Outer carton (L x W x H): 6.9 x 5.2 x 17.9 inch
- Nett weight: 4.332 lb
- Gross weight: 5.666 lb
- Tare weight: 1.334 lb
- GTIN: 1 06 09585 20134 4
- Number of consumer packagings: 3

Highlights

2160 Joules

Prevent thousands of dollars of damage to your electronic devices.

\$250,000 equipment warranty

Protects your connected equipment for the life of the product.

Protected coax connections

Connectors route the coaxial signal through the surge protector to protect against surges and spikes.

Protected phone connections

These connectors accommodate and RJ11 cord, routing the telephone line through the surge protector to guard against spikes and surges.

Power Blocker

Automatically shuts down power to the connected devices.

8 outlets

Converts one outlet into eight outlets allowing you to plug in multiple devices from one single AC outlet.

6 ft power cord

Provides power to the unit which can be 6 feet from the AC outlet.

Cord Management

A cord management device that allows the cable/cords to be routed in the same direction for a more organized appearance

Key Hole Mounting

Key Holes can be used to mount the unit directly to the wall by placing them over the screw heads and lowering into place

Right angle plug

This flat design allows for more positioning options and lets furniture sit more closely to the wall.

automatic child safety outlets

Helps keep children safe from accidental shock.

Protection indicators

LED lights let you know if your surge protector is functioning properly.
