Highlights

Special cleaning fluid

This cleaning fluid is specially formulated to gently clean away dirt and dust from your discs. Works with the non-abrasive cloth.

Dry cleaning wipes

These lint-free, non-abrasive wipes gently work to safely remove dust, dirt and debris from discs.

Radial cleaning action

Clean and protect your discs with this safe and easy radial cleaning action that clears discs free of dirt, dust and debris.

Microfiber cleaning pad

This cleaning pad is made of special microfiber material. It works in concert with anti-static cleaning fluid to ensure that your discs are cleaned safely and remain free from dust and dirt.

Dry brush system

The dry brush cleaning system safely removes dust, debris and other contaminants from the CD/DVD players laser lens, leaving it clean and performing optimally.

Audio system check

The audio system check determines whether the speakers are properly adjusted.

Voice instructions

The voice instructions on this easy to use CD lens cleaner guide you through the cleaning process in one of the 14 languages provided.
