

Philips

Portable speaker

- Blue

SBA1610BLU/00

Mobile speaker

Filling your world with rich, dynamic sound, Philips SBA1610 speakers come with a handy mobile stand that makes them incredibly easy to use.

Benefits

Impressive sound

- Class "D" Digital Amplifier for superb sound quality
- Neodymium speaker drivers deliver pure balanced sound
- 2 W RMS total output power

Designed for grab and go

- Music on the go

- Up to 8 hours' music playback

Simplicity

- Battery powered for portability
- Compatible with any media

PHILIPS

Features

Class D Digital Amplifier

The Class 'D' Digital Amplifier takes an analogue signal, converts it into a digital signal and then amplifies the signal digitally. The signal then enters a

demodulation filter to give the final output. The amplified digital output delivers all the advantages of digital audio, including improved sound quality. In addition, the Class 'D' Digital Amplifier has over 90% efficiency compared to traditional AB amplifiers. This high efficiency translates into a powerful amplifier with a small footprint.
