

InLine® MHL Micro USB to HDMI Adapter Cable for Devices with MHL Connector 0.1m

* Preise inkl. gesetzlicher MwSt. zzgl. Versandkosten

Marke: INL

Bestell-Nr.: 31540I

The MHL Micro-USB converter to HDMI adapter cable allows playback of multimedia content from mobile phone (smartphone / media player) on a TV or display device with HDMI input. It is possible to stream video and audio signals.

- Compatible with HDMI, DVI 1.0 and MHL 1.0 specifications
- HDCP support
- The cable converts all MHL formats to HDMI
- Plug and Play / Hot-swappable
- To operate the Micro-USB power charger of smartphone is required as power supply for the device. The smartphone will not be discharged
- supports Full-HD 1080P resolution if supported by source
- Please note: The MHL adapter is compatible with devices with a standard micro-USB connector (5-pin.). Some devices like the Samsung S3/S4 or Note2 use a 11-pin micro-USB port, this is another adapter (InLine® 31542I) is needed to use this device.
