SMARTMOUNT® Flat Panel Cart FOR 32" TO 75" DISPLAYS

The SR560G SmartMount® Flat Panel Cart has been redesigned to include all of the features you may need, making it perfect for any application. Mobility, appealing design, display height adjustment, pre-assembled base and UL® certification ensure quick assembly while providing a rigid, but attractive, structure that fits into any décor. The 4" castors make it easy to move from room to room while the UL® certification ensures you that it can be done with safety in mind.

Designed to meet UL certifications, the SR560G incorporates safety and security, ensuring you get the job done correctly.

Additional Features

- Display and component shelf can be located anywhere along the column for perfect component placement and viewing height (up to 64" at center)
- Integrated cable management protects, contains and conceals cables for a clean, professional installation
- Maneuvers easily on 4" (102mm) swivel casters, two locking
- Pre-assembled base provides rigidity, stability and quick assembly
- Textured black powder coat finish helps hide finger prints and dust
- Open frame display adaptor helps prevent display input interference
- Universal mount fits displays with mounting patterns from 200 x 200mm up to 600 x 400mm

Cable management allows cables to enter or exit anywhere along the column
