

HP Canvas Paper 180 g/m² is an economical matt embossed paper that is specially coated to produce excellent image sharpness. The linen structure is ideal for fine art reproduction or business collateral such as menus, cards or invitations.

Graphic designers, photographers, artists and print service providers who produce high-resolution photo printing, portraits and fine art reproductions.

HP Canvas Paper 180 g/m² delivers brilliant colour reproduction. The print side is coated for excellent sharpness and optimal colour gradation. Linen texture adds character to the output.

HP Canvas Paper 180 g/m² is ideal for economical high-resolution art reproduction and business collateral.

HP Canvas Paper 180 g/m² delivers a short drying time of less than three minutes for full-colour inkjet printing. This opaque single-side coated paper is compatible with both dye and UV inks.

HP Canvas Paper 180 gsm

Compatibility

For compatibility information, please refer to the latest Large Format Supplies Compatibility chart on www.hp.com/go/designjet/supplies

For the latest ICC/media profiles, please visit www.hp.com/go/designjet/supplies (click on ICC profiles and select your printer). For non-post script printers see your external RIP vendor.
