

Security Camera Mounts

CMR 405

CMR 410

CMR 415

CMR 419

These light weight indoor camera mounts accommodate small to medium sized fixed position security cameras. They are constructed of engineered plastic to eliminate ground loop problems. The design of these mounts features an attractive and highly functional ball and socket style pivot for positioning the direction of the camera. These camera mounts are made to be installed on a standard single gang electrical outlet box. They can also be mounted on a wall or ceiling with four mounting screws (not supplied.) Patented design.

- Low profile design
- 360° swivel and 90° tilt limitless positioning
- Cord management routing duct
- Can be personalized with your company's name and/or logo
- UL listed
