

Compaq USB 3-button Optical Mobile Mouse

Affordable features and good looks. The Compaq USB 3-button Optical Mobile Mouse is easy to set up and use, and offers all of the features and comfort you need in a highly compact format you can take with you anywhere.

The mouse that follows you everywhere

Get the features you need and the style you want at an affordable price. The Compaq USB 3-button Optical Mobile Mouse is always ready to go as no batteries are required. The ultra-portable miniature design makes packing a breeze.

Style is in the details

Why stop with a great looking PC? Express your personal style right down to the details. The Compaq USB 3-button Optical Mobile Mouse has a high-tech piano black finish and modern shape for a distinctive style that will complement your PC.

Optical performance for cleaning-free precision

Because there's no ball to clean, the Compaq USB 3-button Optical Mobile Mouse delivers tracking precision you need without getting bogged down by dirt or dust. The smooth, fast scroll wheel and Teflon feet track great on most surfaces.

Smooth, accurate tracking

The mouse that points where you want it to. The Compaq USB 3-button Optical Mobile Mouse features a smooth and fast rubber scroll wheel for optimum control and feel.

Easy to set up, even easier to use

Plug and play right out of the box. The Compaq USB 3-button Optical Mobile Mouse uses USB connectivity and standard 3-button operation. Because there is no driver or CD to install, just plug in and go.
