Z1

Desk Mount Monitor Arm with 4-Port USB Hub

Z1 is designed to offer ample flexibility to your monitors in the office. You can adjust the height, tilt, swivel and rotate your monitor to the optimal viewing angle, allowing long hours of comfort while you can easily share it with your colleagues.

In addition to the 4-port USB hub attached to the bottom for increased external expansion capability, the professional-looking **Z1** is undoubtedly your ultimate solution to increase your workspace and reduce clutter on your desk.
