HP Cash Drawers for HP Retail Systems

HP Cash Drawers provide a space-saving design and reliable performance to meet the needs of demanding retail and hospitality environments.

Durability for a long service life

HP Cash Drawers are designed to provide excellent performance and reliability to meet the needs of today's retailers. HP understands that not every store environment is the same and offers three cash drawers to choose from to complete your point-of-sale solution. Each drawer is built with high quality components and a robust construction for durability required in retail and hospitality environments.

Efficient and secure design

Designed around a full-sized till insert, the HP Cash Drawers have a narrow footprint, minimizing the amount of counter space required. All three cash drawers feature media slot storage allowing store associates to conveniently insert checks, coupons, and charge slips which helps save time organizing media at the end of the shift. Rest assured that HP Cash Drawers will perform when you need them most and are a great addition to your point-of-sale solution.

HP Retail Solutions
HP Heavy Duty Cash Drawer

Heavy Duty Cash Drawer

The sturdy HP Heavy Duty Cash Drawer helps improve cashier productivity and increase the effectiveness of the overall point-of-sale hardware solution.

- Ample storage in a deep under-till compartment holds coin rolls and packaged bills which saves time when replenishing cash during shifts.
- Sturdy steel case, durable till insert and a resilient powder-coated finish are designed to withstand the toughest of store environments.
- Robust engineered drawer suspension delivers seam-less performance; industrial-grade steel ball bearing slides ensures effortless performance and durability.
- Broad range of localized till inserts available to neatly meet the needs of your currency requirements.
- Four-function lock offers several levels of security: locked closed, locked open, online, and manual open.
- Receipt printer interface allows the HP Heavy Duty Cash Drawer to connect directly to the HP Thermal Receipt or Hybrid MICR Printers.

HP Retail Solutions
HP Standard Duty Cash Drawer

Standard Duty Cash Drawer

The HP Standard Duty Cash Drawer is a cost-effective, high-quality cash drawer solution designed for use in low-to-medium traffic environments and for retailers who do not require the additional features offered by the HP Heavy Duty Cash Drawer.

- Low profile minimizes the amount of space required at the point of sale.
- Dual media slots provide additional storage beneath the till for associates to quickly and neatly store media provided during the transaction.
- Receipt printer interface allows the HP Heavy Duty Cash Drawer to connect directly to the HP Thermal Receipt or Hybrid MICR Printers.

Standard Duty USB Cash Drawer

Your everyday cash drawer, now with USB. Get a cost-effective and retail-ready cash drawer that accepts cash, coins, and other transaction media, delivers easy USB connectivity for your fixed or mobile retail solution.

- Enjoy easy USB connectivity to your fixed or mobile RPOS platform with the included USB cable - great for stationary retail settings, kiosks, and pop-up retailers.

HP Retail Solutions
HP Flip Top Cash Drawer

Flip-top Cash Drawer (available in EMEA only)

The HP Flip-Top Cash Drawer is a durable and stylish solution that features a steel lid that flips open for easy access from the top, making this model suitable for operation while seated or standing.

- Compact footprint minimizes the amount of counter space required in your retail environment. In fact, this model can be used so that the top surface is utilized as counter space, until the cash drawer is opened.
- One universal till with adjustable bill slots (up to 6 slots) and 8 coins cups allow for customization to meet your cash management needs.
- Lockable lid has integrated handles for easy removal and transportation of the till insert.
- Receipt printer interface allows the HP Flip Top Cash Drawer to connect directly to the HP Thermal Receipt or Hybrid MICR Printers.
