# Highlights

## Access to all controls

The openings on this case allow convenient access to all controls and dock connector, so you can use your device while it's protected inside the case.

## Quick and easy to dock

This case features a removable bottom section that allows you to quickly and easily dock your device while it remains protected in the rest of the case.

## Hard-shell polycarbonate case

This hard-shell case is made out of highly durable polycarbonate, so it provides strong protection for your device.

## Wrap-around protection

The material of this case wraps around from back to front, providing protection for the corners and perimeter of your device's face.

## Protection in a snap

This case is made from a durable material that is custom made to fit your device perfectly. The case is quick and easy to put on, and adds a layer of protection to your device.

## Slim design

This case is designed to add protection with minimal bulk, so you can easily carry your device in your bag or backpack for protection on the go.
