

InfraCare infrared lamp

- 200 W
- Focused treatment area

HP3621

Effective pain relief

Deep penetrating infrared warmth

Deep penetrating warmth from infrared lamp

Benefits

Effective pain relief

- Deep penetrating Infrared warmth

Extra-focused treatment

- 200 Watt infrared halogen lamp

Easy to use

- Adjustable angle

Features

200 Watt infrared halogen lamp

The Philips InfraCare HP 3621 has been optimised for effective relief of pains in areas covering 20 x 30 cm, for example shoulder, elbow, calf or neck. The InfraCare features innovative infrared halogen lamp technology. The special

optics, filter and the powerful halogen lamp of 200 Watt have been optimised to provide a clear focused treatment as the infrared warmth is more equally divided over the treatment area.

PHILIPS

Adjustable angle

The infrared lamp can easily be positioned up to 40 degrees backwards.

Deep penetrating Infrared warmth

Infrared light has been proven to effectively relieve aches and pains caused by muscular pains and stiff joints. The comfortable warmth created by infrared light penetrates deep into your skin, stimulates blood circulation and warms your muscles. As your muscles are soothed, they automatically loosen up and relax. Because it makes the tissue more pliable, warmth also reduces stiffness and makes joints more flexible.

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Effective pain relief

Deep penetrating warmth	Yes
-------------------------	-----

Focused treatment

Treatment area	20 x 30 cm
Infrared halogen lamp	200 W

Easy to use

Adjustability	0-40 degrees (backwards)
Soft-touch handgrip	for easy transport and positioning
On/off switch	Yes

Technical specifications

Power	200 W
Voltage	110 or 220-230 V
Frequency	50/60 Hz
Lifetime of lamps	500 hour(s)
Cord length	200 cm
Insulation	Class II (double isolation)

Weight and dimensions
