Vary your ambience with coloured light

- choose from 256 colours
- Automatic colour changing mode

Just the right amount of light impact

- light output 70 lumen

Easily select your colours with on-product control

- Easy on product control

Let the colours blend naturally into your interior

- nice diffused light effect

Features

choose from 256 colours

Select your own favourite colour out of the 256 available colours.

Automatic colour changing mode

Just push the on/off button for 5 seconds and let the LivingColors Mini do all the work, showing you the whole range of colours.

light output 70 lumen

With the LivingColors Mini you can have a good impact on ambience thanks to the light output of 70 lumen. Just place the LivingColors Mini wherever you like and point it towards a light-coloured wall to get the full experience.

nice diffused light effect

All the different colours of the Philips LivingColors LED lamp blend naturally into your interior because of the diffused light effect.

Easy on product control

By touching and swiping the colour circle, you can very easily select any colour you like.
