Perfect beard, less mess

with new Vacuum System

This Philips vacuum beard trimmer delivers superior trimming performance with an integrated vacuum system to capture hairs during use. Less mess guaranteed.

Best performance that feels great

- Contour-following comb for a precise and even trim

Provides maximum ease of use

- Clear view hair chamber for visual control
- Maintenance-free blades
- Vacuum system captures cut hairs for mess-free trimming

Create the look you want

- 18 secured length settings from 1 mm up to 18 mm

Provides optimal power

- Strong lithium-ion battery for optimal power use
- Corded and cordless use for maximum power and freedom

Highlights

18 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

Maintenance-free blades

The blades stay sharp and need no oiling, so your product is always ready for use.

Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in 8 hours for 50 minutes use.

Clear view hair chamber

Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.

Corded and cordless use

Use your trimmer corded or cordless with the recharged battery for maximum power and freedom.

Contour-following comb

The flexible guide comb automatically follows every curve of your face to achieve an even trim easily and comfortably.
