

DESIGNED FOR MAXIMUM  
COLOUR PERFORMANCE.

WHAT DO YOU HAVE TO SAY?

HP Color LaserJet CM6040 MFP series

As HP's top-of-the-line colour laser MFP, the HP Color LaserJet CM6040 MFP series is ideal for performance-oriented enterprise users who want to share high quality colour printing across larger workgroups of up to 20 users.

In addition to its print, copy, scan and fax<sup>1</sup> capabilities, this productivity-driven workhorse is a reliable and easy-to-manage device that delivers fast print speeds at up to 40 pages-per-minute (ppm) for both colour and black-and-white.

## Boost productivity with superior performance

### Fast first-page-out

— first-page-out in 12 seconds  
for faster print and copy jobs

CM6040 MFP series

Print/Copy up to

**40** | **40**  
ppm black | ppm colour

### New generation HP ColorSphere toner

— significantly improved gloss level,  
wider colour gamut for professional  
print quality and reliability, every time

**ColorSphere**  
HP TONERS

Professional Results Every Time.

### Colour matching technology

— adjust colour output to match  
computer screen and achieve  
consistent and precise  
print results

### HP ImageREt 4800

— provide superior print  
quality levels that rival those  
of commercial presses

HP ImageREt 2400

HP ImageREt 4800

<sup>1</sup> Faxing is standard for HP Color LaserJet CM6040f MFP, optional for HP Color LaserJet CM6040 MFP.

<sup>2</sup> Awarded the Technological Innovation Award, 2006 Industry Analysts, Inc., Industry Analysts Technical Servicing Division.

<sup>3</sup> Optional software sold separately.

Manage and use with total ease

**HP MFP's Easy Select touch screen control panel**  
— now available in Simplified Chinese, Traditional Chinese, Japanese and Korean

**Job Queue Management**  
— easily control and coordinate all jobs for smoother workflow

**Colour access control features**  
— manage colour usage and control colour printing costs

HEWLETT-PACKARD COMPANY

**Outstanding Achievement for the Color Control Capabilities of its Printers and MFPs, Fall 2007**  
Awarded by Buyers Laboratory (BLI) for the extensive colour control features included with HP's laser printers and multifunction products.

**HP Universal Print Driver**  
— industry's first<sup>2</sup> intelligent driver

Designed for improved workflows and productivity

**Scan-to features** — capture documents electronically with scan-to email, printer, network folder, and fax services<sup>1</sup>, without the use of a PC and speed up workflow.

**Enhanced security features** — protect confidential and business-critical data

- HP Digital Sending Software<sup>3</sup>
- Secure overwrite of data
- Private printing

**HP Web Jetadmin** — provide full connectivity and management of a fleet of laser MFPs in your environment from a standard web browser

# Boost productivity with superior performance and get professional results fast

The HP Color LaserJet CM6040 MFP series is ideal for workgroups who want to print colour and black-and-white documents with fast first-page-out performance and optimised print quality.

Up to 40 ppm  
Colour/Black-and-white

## Exceptional print speed saves valuable time

Print professional colour as fast as black-and-white without compromising print quality. Get up to 40 ppm for a typical office document with HP's fast print speeds, and fast first-page-out in 12 seconds (colour and black-and-white).

## Built to deliver results

Process complex documents quickly without impacting performance with 835 MHz processor and 512 MB RAM standard memory (expandable up to 768 MB max.).

## Create high-impact documents in-house

HP ImageREt technology of up to 4800 dpi consistently ensures high quality, professional results through advanced image enhancements.

## Outstanding results for complex print jobs

Delivering at up to 600 x 600 dpi (default) and up to 1200 x 600 dpi operating mode, it provides exceptional edge definition for detailed line work, high-gloss posters, complex spreadsheets, and architectural drawings.

## Powerful performance for better results

835 MHz  
processor memory

512 MB RAM  
standard memory

## Sharp details and vibrant colours

## Achieve professional quality business documents

Create brilliant, professional high quality results with the new generation HP ColorSphere toner. With its advanced formulation, uniform size and spherical shape, this toner delivers:

### Exceptional print quality

- A wide range of colours and high gloss result in brilliant, realistic photos and images. Dynamic colour gamut shows subtle flesh tones, shadow detail and smooth gradations, and high gloss contributes to colour consistency and intensity on a range of papers

### Consistency and reliability

- Uniformly-sized toner particles incorporate patented additives to maintain a consistent charge to ensure accurate and consistent results page to page and cartridge to cartridge

### Fast printing

- Each toner particle contains a wax core designed to fuse to the paper at full MFP speeds. The results — fast printing without sacrificing output quality

## Reliable, intelligent HP Smart printing technology

With an integrated Smart chip, Original HP print cartridges enable interactive communication between the cartridge and printer to ensure optimised print quality while keeping the management of printing supplies easy and hassle-free.

## Handle heavy network and print loads easily

The HP Jetdirect Gigabit Ethernet embedded print server is designed to manage complex print jobs so that big jobs print faster and print queues are shorter. In addition, it supports both IPv4 and IPv6 protocols, so that you can upgrade with confidence.

### Consistent, outstanding print quality

Chemically-grown toner particles are consistent in size and spherically-shaped with a wax core to fuse to the paper at MFP's print speed.

Spherically-shaped toner particles

Conventional toner particles

**ColorSphere**  
HP TONERS

Professional Results Every Time.

### Save time with hassle-free supplies management

### Manage complex print jobs with HP Jetdirect

# Manage and use with total ease

The HP Color LaserJet CM6040 MFP series offers outstanding usability and productivity, providing the best user experience through simplified device management and better control over a fleet of HP LaserJet MFPs.

## Award-winning<sup>1</sup> HP Easy Select Control Panel

Easy to navigate and troubleshoot, the intuitive and familiar interface of the HP Easy Select Control Panel offers a consistent user experience. Available on HP's entire LaserJet MFP line, it highlights all available applications, allows simple navigation with familiar icons, and provides additional controls for faxing<sup>2</sup>, scanning, digital sending, and colour printing. Now available in a variety of localised languages.

### Added flexibility with Input Method Editor (IME)

Improve productivity and consistency across the HP LaserJet MFP fleet by allowing the user to easily work in their native language. The Input Method Editor (IME) provides Asian language input at the control panel (Simplified Chinese, Traditional Chinese, Japanese, Korean), with more optional languages available.

## Simplify print coordination with Job Queue Management

Effortlessly manage and control print, copy, and incoming/outgoing fax<sup>2</sup> jobs with Job Queue Management. Through the job queue at the control panel, users can review and handle scheduled, active and completed jobs with ease.

- View the status of each active job in the system (print, copy, and incoming fax<sup>2</sup> jobs only)
- Check details about all scheduled, active, or completed jobs in the system

- Cancel, pause, or resume a scheduled or active job at the device through authentication methods
- Reprioritise a scheduled job
- Print the completed job log (shows the last 32 print, copy, and incoming jobs)
- Cancel current or all outgoing faxes<sup>2</sup>

<sup>1</sup> Buyer's Lab gave HP a "Pick of the Year" award in December 2006 for "Outstanding Achievement for the User Interface Design of its Multifunction Printers."

<sup>2</sup> Faxing is standard for HP Color LaserJet CM6040f MFP; optional for HP Color LaserJet CM6040 MFP.

## Manage colour usage and printing costs

With colour access control features, businesses can manage colour toner usage, control costs, and make informed decisions that improve operational efficiency.

- **Assign colour access to specific users or workgroups** — using the HP Universal Print Driver or HP Web Jetadmin's fleet configuration capability
- **Assign colour access by application** — allow designation of certain applications to be printed in colour and others in black-and-white
- **Track colour use by job, by user, and by device** — generate real-time and periodic usage reports. Plus, it allows you to easily allocate costs to individual departments<sup>1</sup>
- **Auto colour sensing** — complement colour access control features by performing an automatic analysis of each scanned page. While the laser MFP's default mode is colour copy, if it determines that a page is black-and-white, it will copy in black-and-white thereby reducing colour usage

HEWLETT-PACKARD COMPANY

**Outstanding Achievement for the Color Control Capabilities of its Printers and MFPs, Fall 2007**

Awarded by Buyers Laboratory (BLI) for the extensive colour control features included with HP's laser printers and multifunction products.

## Clear up paper jams quickly and effortlessly

HP's Automatic Navigation technology offers step-by-step guidance on the control panel to swiftly locate and rectify paper jams, saving valuable time, and providing an enhanced user experience.

## Quick and simple installations

With Send-to-Network folder and Send-to-Email installation wizards, it is easy to get started on streamlining business communications.

## Save time with simplified replacement parts management

HP signature Blue tabs ensure replacement parts are easily identifiable. For added convenience, fusers, transfer kits and transfer rolls are easily replaceable as are toner cartridges and image drums.

**More convenient and easy to manage replacement parts**

<sup>1</sup> Billing solutions are an optional feature available at an additional cost through HP's solution partners.

# Designed for improved workflows and productivity

The HP Color LaserJet CM6040 MFP series supports enterprises with workflow and security solutions by digitising, securing and streamlining their paper-intensive processes to facilitate smoother document workflow, greater efficiency, and accelerate business results.

## Enhance security with user authenticated printing

Confidential document

Only prints after  
keying access code

## Work confidently with advanced security capabilities

**HP Digital Sending Software (DSS)**<sup>1</sup> — Authenticate users at device level and send documents to email, network folders, FTP, LAN-fax, printer or document OCR. Quick and secure way to electronically capture, retrieve and share content.

**Secure overwrite of data** — Built-in security capabilities safely erase job files and histories from the hard disk.

**Private printing** — Four standard and one optional job retention features enable private printing:

- **Proof and hold** — Quick and easy way to print one copy and proof it before printing the remaining copies
- **Personal Job** — Protect confidential documents. Job will not be printed until released with a 4-digit Personal Identification Number (PIN)
- **Quick Copy** — Print requested number of copies of a job and store a copy on the laser MFP's hard disk for future printing
- **Stored Job** — Allow download of a print job to the laser MFP's hard disk to be printed when required
- **Pull Printing** — Save documents electronically in the device, or on a server, until authorised user is ready to retrieve and print

## Enhance organisational productivity and performance

**HP Digital Sending Software**<sup>1</sup> — Streamline document workflow by incorporating paper documents into business processes to improve efficiency and productivity. Digital information can be sent quickly and securely to email, network folders and other laser MFPs, reducing the costs of physically sharing and storing information.

**MegaTrack In Printer Agent (MIPA)**<sup>1</sup> — Track and record printing, copying, faxing and scan-to email activities on the device. With real-time insights on how devices are being used, organisations can manage devices and costs effectively.

**EasyReport**<sup>1</sup> — Receive real-time information on device usage, allowing administrators to track, manage and control the organisation's output environment and related costs more effectively. Reports can help organisations optimise their output environment through informed decision-making.

## Streamline device and network management

**HP Web Jetadmin** — Provide a web-based platform that centralises device management, asset management, driver and queue management, security and cost controls, and help desk support. It also enables IT support to remotely configure and troubleshoot devices across the network.

**HP Universal Print Driver** — Deploy enterprise-wide features and control such as duplex printing and print quality settings with the use of a unified and intelligent full-featured driver. Eliminate the need to install, manage and support multiple print drivers, and enhance IT staff productivity.

## Streamline office workflow with digital sending features

<sup>1</sup> Optional software sold separately.

# Business document creation solution

The HP Color LaserJet CM6040 MFP series enables organisations to print, fax<sup>1</sup>, scan, make copies, or add document finishing accessories for stapled, sorted reports or marketing collateral easily. Create professional-looking prints in-house while saving the time and cost spent outsourcing print jobs.

## A simple, effective document creation solution

### Flexible paper handling

**Create complex, finished documents in-house, saving the time and expense of outsourcing.** The HP booklet maker/finisher accessory staples and folds up to 15 pages into a booklet and stacks up to 25 saddle-stitched booklets, 30 stapled jobs, or 1,000 sheets of paper.

**Versatile paper handling** functionalities support heavy media up to 220 g/m<sup>2</sup>, while Trays 3, 4, and 5 are fully adjustable for media sizes up to 320 x 457 mm, providing exceptional flexibility.

**Avoid tedious manual sorting and stapling** with optional automated output capacity and mailbox functionality while stacking up to 1,600 sheets of paper with job offset or 30 stapled jobs. The HP 3-bin stapler/stacker accessory also provides multi-position stapling for up to 50 sheets of paper per job.

**Reduce user intervention** with a 100-sheet multipurpose tray and four 500-sheet trays for a total capacity of 2,100 sheets<sup>2</sup>. In addition, built-in two-sided printing and label support from all trays, together with the option to load paper in volume or use each tray for a different paper type offer further convenience. **Print a wide variety of media** with support for varied paper types, transparencies, labels, envelopes, and card stock.

### Effortless copying and scanning

**Easy control over results.** Adjust all copy settings at the control panel and printed documents that are automatically sorted with default copy collation.

**50-sheet Automatic Document Feeder (ADF)** allows unattended copying and scanning, or use the flatbed scanner for irregular-size single sheets, bound documents, and objects up to 11 x 17 inches.

**Scan directly to networked location** using the control panel or the Embedded Web Server. Scans can be routed to preconfigured destination, such as a PC desktop, PC folder, network folder, or a TWAIN/WIA compliant application.

<sup>1</sup> Faxing is standard for HP Color LaserJet CM6040f MFP, optional for HP Color LaserJet CM6040 MFP.

<sup>2</sup> Available for HP Color LaserJet CM6040f MFP only.

# HP's commitment for a safer environment

With HP's Design for the Environment initiative, products are designed with their entire life cycle in mind — from product design to manufacturing, and from usage to recycling — in an effort to reduce energy, paper, packaging and materials used, as well as to lower running and wastage costs for users. By providing customers with safe, high quality products that are environmentally-sound throughout their life cycle, HP aims to reduce the environmental impact of our products, and that of our customers.

## 1 DESIGN FOR ENVIRONMENT

**Save power automatically.** Using HP Web Jetadmin, you can remotely schedule sleep and wake-up modes or automatically turn off devices on nights and weekends for savings of up to 66 percent in energy costs.

**Globally proven energy efficiency.** As an ENERGY STAR® partner, HP Color LaserJet CM6040 MFP series meets ENERGY STAR® guidelines for energy efficiency.

**Get added value with an environmentally conscious HP LaserJet MFP.** The HP Color LaserJet CM6040 MFP series has met stringent requirements to reduce energy consumption, noise levels, and chemical emissions.

## 2 MANUFACTURING

**Use of fewer materials.** HP LaserJet toner cartridge packaging uses 45 percent less packaging material (by weight) than previous designs. The more compact package also contains an innovative multi-chamber air bag that protects the cartridge from transport damage, dust, moisture and light. 30 percent more cartridges can be shipped on one pallet (1500 more cartridges can be shipped in one ocean container).

## 5 RECYCLE

**Less waste through recycling.** All returned Original HP print cartridges go through a multiphase recycling process where they are reduced to raw materials that are used to make new metal and plastic products.

## 4 RETURN

**Simplify the management and disposal of products.** HP Planet Partners<sup>1</sup> — a free, convenient return and recycling programme available in more than 40 countries.

## 3 USE

**Consume less paper by printing on both sides.** HP Web Jetadmin and the HP Universal Print Driver make it easy to set automatic duplex printing for the individual printer or an entire fleet, allowing you to reduce the cost and volume of paper used.

**Capture and send documents electronically.** HP can help automate workflows and help change the way you do business. With the ability to capture and deliver documents digitally, you can speed document-based workflows, virtually eliminate the need for faxing, and lower the amount of paper your organisation uses.

**Less extra pages printed.** HP Smart Web Printing improves printing from Web pages. Eliminate extra pages and right-edge clipping and enjoy the ability to combine content and print exactly what you want, without wasting resources.

<sup>1</sup> Programme availability varies. HP printing supplies return and recycling is currently available in more than 40 countries, territories and regions in Asia, Europe, and North and South America.

# HP award-winning service and support

Efficient, flexible and cost-effective — HP offers you a broad spectrum of extensive Print Services that range from vital hardware repair support and the management of print environments, to a comprehensive, scalable portfolio of customisable service components with end-to-end capabilities that can meet ever-changing business needs.

For more information, visit  
[www.hp.com/apac/enterpriseprint/services](http://www.hp.com/apac/enterpriseprint/services)

## Support Services

### What:

Choice of high quality support services, delivered by HP for a worry-free printing experience

### When you need:

Reduced device repair costs and maximised printing uptime across branch and remote office locations

### It includes:

- Choice of same day or next day on-site services
- Expert technical phone support
- HP original parts, materials and labour

## Smart Print Services

### What:

An affordable usage-based contract ensuring continuous printing and productivity

### When you need:

Peace of mind with low total cost of ownership

### It includes:

- Choices from a comprehensive fleet of single function and multifunction printers
- Hardware maintenance
- Supplies replenishment
- Device monitoring and usage visibility
- Priority phone support

## Managed Print Services

### What:

Comprehensive and sustainable portfolio of services customised to meet your document capture and output strategies

### When you need:

Focus on your core business while having control of your imaging and printing network infrastructure

### It includes:

- Assessment Services
- Financial and Procurement Services
- Transition and Implementation Services
- Management and Support Services
- Document and Workflow Services

## Maximise the performance of your investment with HP accessories

### HP 3-bin stapler/stacker with output accessory bridge (CC517A)

Enjoy hassle-free, unattended printing, including automatic offset, multi-position stapling, and a three-bin mailbox.

### HP booklet maker/finisher with output accessory bridge (CC516A)

Create complex documents with three bins, automatic offset, inline stapling and stacking, and booklet making with saddle-stitching and v-folding.

### HP LaserJet MFP Analog Fax Accessory 300 (Q3701A)

Quickly and reliably send and receive faxes<sup>1</sup>.

<sup>1</sup> Faxing is standard for HP Color LaserJet CM6040f MFP, optional for HP Color LaserJet CM6040 MFP.

<sup>1</sup> HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

<sup>2</sup> Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.

<sup>3</sup> Average black cartridge yield 19,500 standard pages. Declared yield value in accordance with ISO/IEC 19752. Average continuous composite cyan/yellow/magenta cartridge yield 21,000 standard pages. Declared yield values in accordance with ISO/IEC 19798. Approximate image drum capacity 35,000 pages. Actual yields vary considerably based on images printed and other factors. For more information, visit [www.hp.com/go/learnaboutsupplies](http://www.hp.com/go/learnaboutsupplies).

<sup>4</sup> Declared yield 35,000 pages based on HP testing methodology. Actual yields may vary considerably.

- <sup>1</sup> Declared per ISO 9296. Values subject to change. See [www.hp.com/go/cljcm6040\\_firmware](http://www.hp.com/go/cljcm6040_firmware) for current information. Configurations tested included colour and black-and-white printing, simplex and duplex printing, and 110 and 220 Vac units at 40 ppm.
- <sup>2</sup> Values subject to change. See [www.hp.com/support/cljcm6040](http://www.hp.com/support/cljcm6040) for current information. Power reported is highest values measured for colour and black-and-white printing/copying using all standard voltages. 115 Vac unit tested. Data from colour simplex printing and copying.
- <sup>3</sup> HP SureSupply alerts you when you should replace a print cartridge and helps you purchase locally or via the Internet. Only available with original HP supplies; Internet access required.
- <sup>4</sup> Average continuous composite cyan/yellow/magenta cartridge yield 21,000 standard pages and average continuous black cartridge yield 19,500 standard pages. Declared yield values in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors.
