

HP ProBook 6475b Notebook PC

Challenge the Status Quo. Optimized for Windows® 7 Professional, this configurable laptop touts a 35,6 cm (14") diagonal display, UMA graphics and AMD's latest technology. The professional design and HP 3D DriveGuard¹ help protect your data from mobile use.

HP recommends Windows.

Constructed for business on the go.

From the bead-blast aluminum display enclosure to the wear-resistant tungsten-colored finish, this mainstream business laptop polishes off your professional look.

Accidents happen. HP 3D DriveGuard¹ helps protect your notebook's hard drive against impact, bumps and drops so your data has enhanced protection.

Don't sacrifice screen size for portability. Easily carry this notebook with a 35,6 cm (14") diagonal HD² or HD+² display to all your meetings.

It's good to have options.

Boost security and simplify access to your computer with the optional Smart Card Reader³.

Easily navigate your screen using the optional pointstick³.

Help keep the data on your notebook secure with the HP Fingerprint Sensor³ that uses fingerprint authentication to log onto Windows and web sites.

Sometimes only a face-to-face meeting will do. Choose the HD Webcam^{2,3,4} to virtually connect to colleagues worldwide without leaving your office.

Is lighter weight or longer battery life most important? Configure your notebook with the battery options that work best for you.

Gain a notebook geared for business.

Confidently tackle work assignments with AMD's latest processing capabilities.

Create impressive visuals with standard (UMA) graphics⁵. Plug into additional monitors for a total of four displays to gain an immersive graphics and computing experience with AMD Eyefinity technology⁶.

Access the Internet and email in more places than ever, thanks to various wireless technologies⁷ that help keep you connected – from Wi-Fi CERTIFIED™ WLAN⁷ to HP Mobile Broadband featuring 3G and 4G^{3,8} and optional Bluetooth connectivity³.

Accessories and services (not included)

HP 14.0 Privacy Filter

No more need to worry about prying eyes. This unique HP built-to-fit solution ensures confidential business data, personal information and financial records are visible only to the person sat directly in front of the notebook display.

Product number: AU100AA

HP Adjustable Display Stand

Turn your HP Business Notebook into an ergonomic and desktop-like solution supporting up to a 24 inch display. A dual-hinged, smooth-motion display stand allows for greater depth, height and tilt adjustment for maximum comfort. The adaptable design of the HP Adjustable Display Stand accommodates notebooks that can be connected to a docking station and notebooks that do not have a docking connector.

Product number: AW663AA

HP Keyed Cable Lock

The HP Keyed Cable Lock is designed to be used with industry standard lock slots like the type found on a laptop, docking station, desktop PC, flat panel display, printer or projector. Secure your valuable IT hardware with this lock that consists of a 6.00' (1.83 m) vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock. The lock features a push-button locking mechanism and a unique key (including a spare key) to unlock the cable. A small Velcro strap is also included to help manage or adjust the length of the cable as you place and use it.

Product number: BV411AA

HP 90W Smart AC Adapter

With the HP 90 W Smart Adapter you can experience true power-charging anywhere you have a power outlet.

Product number: ED495AA

HP ST09 Extended Life Notebook Battery

The HP Extended Life Battery allows you to work longer hours away from a power outlet. The HP Extended Life battery offers the convenience of charging the battery while it is docked so there is no need to remove before docking. With the improved battery life, these battery is an ideal solution for the "corridor warrior" who requires extra battery life for all-day computing or long meetings.

Product number: QK639AA

3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely
