Shine on, in dazzling style

The distinctly chic Philips Xenium F515 is all set to dazzle with its elegant design and glittering visual effects that light up with every call. Stay connected and in style thanks to its superb battery life and cool multimedia features.

Maximize your Multimedia Experience

- Easy tuning with on-screen display on RDS FM radio stations
- Enjoy Bluetooth stereo music
- MicroSD memory card slot for extra memory/ data storage

Chic, elegant design

- Premium metallic finish

Always on, always connected

- Up to 1 month of standby time
- Up to 8 hours of talk time

PHILIPS
sense **and** simplicity

Highlights

Premium metallic finish

The premium metallic finish gives the phone a distinctive look and design that set it apart from the ordinary.

Up to 1 month standby time

The phone can be on and in standby mode continuously for up to 1 month on a single charge.

RDS FM Radio

Enjoy quick and easy tuning to your favorite stations with Radio Data System (RDS) display,

which shows the name of the station instead of frequency numbers. RDS also allows stations to transmit text messages and information directly to your radio display, so you can keep updated with news updates and radio promotions.

Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality

stereo music from your Bluetooth headphones.

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

Up to 8 hours talk time

The phone can support up to 8 hours conversation on a single charge.

Specifications
