

Philips
USB battery pack

- Universal

DLP6000/93

Recharge multiple times on the go

with a portable back-up power pack

Have power wherever and whenever you need it - it gives you the extra power for more than two full charges. Including micro- and mini-USB cables, iPad, iPhone and iPod cable, and power-status light. Also available in different colours.

Benefits

Charge your mobile devices

- Micro-USB cable included to connect and charge
- Mini-USB cable included to connect and charge
- A great spare or replacement cable to have on hand

Portable power

- Works anywhere - great when you're not near a power source
- Recharge your devices multiple times on the go

- Works with USB-based devices

Smart design

- Hidden power-indicator light to confirm status at a glance
- Integrated cable management to keep things organised
