

Philips
Digital splitter

2-Way

SDW5010

Enjoy the best connection

for satellite and digital TV

Enjoy premium picture quality with minimal signal loss. Connects satellite, antenna and digital cable sources to components.

Enjoy the best reception quality

- 24 carat gold-plated connectors optimize signal

Enjoy extended durability

- Corrosion-resistant connections

Protects against signal loss

- High quality components
- Premium die-cast construction

Easy installation

- Convenient dual ground connections
- Mounting screws included

PHILIPS
sense and simplicity

Digital splitter 2-Way

Specifications

Packaging Data

- Quantity: 1
- EAN/UPC/GTIN: 6 09585 11809 6
- Gross weight: .14 kg
- Height: 35 mm
- Length: 200 mm
- Net weight: .09 kg

Outer Carton

- EAN/UPC/GTIN: 1 06 09585 11809 3
- Quantity: 6
- Gross weight: 1.24 kg
- Height: 197 mm
- Length: 216 mm
- Net weight: .84 kg
- Tare weight: .4 kg
- Width: 146 mm

SDW5010/17

Product highlights

24 carat gold-plated connector

24 carat gold-plated connectors ensure the best signal quality for your components.

Corrosion-resistant connection

24K gold-electroplated connectors create secure and extremely durable connections that optimize signal quality and deliver the best picture and data transfer.

High quality components

Superior grade internal devices and wiring allow the splitter to maintain the integrity of the original signal.

Die-cast Construction

The splitter body is cast, instead of stamped, for a heavier, more rugged construction and better overall performance.

Dual ground connections

Choose where to ideally ground the body of the splitter.

Mounting screws included

This is all the necessary hardware you need to ideally position and secure the splitter.
