MobileOffice D600 Plus

❖ KEY FEATURES

Compact design and easy to carry

A6 Size Duplex Color Scanner is a sleek and compact scanning device that has been designed to fit user's scanning job convenience.

Plastic card scanning

Scans plastic cards up to 1.2mm thick including, credit cards, driver license cards, ID cards, medical cards or membership cards.

Searchable PDF format

Searchable PDF indicates that the scanned document (result in PDF format) has been processed via optical character recognition (OCR) and you can search the entire file for occurrences of a word or phrase.

Single touch button design

Nine customizable single touch settings enable you to automate frequent scanning jobs and tasks.
