PHILIPS
NORELCO

Highlights

180° rotating head

Makes trimming or shaving your own head easier than ever. Simply select the right angle to comfortably reach all parts of your head without help.

Precision trimmer

Use the precision trimmer to neatly trim side burns and hair line for a sharp finish.

Quick charge battery

The lithium-ion battery is fully charged in 1 hour and provides constant power for up to 60 minutes cordless use.

100% Washable

Conveniently washes under the tap for a thorough clean.

Length settings from 1-30mm

Cut your own hair easily and accurately, using the precision comb for lengths between 1 and 3mm, the regular comb for 3 to 15mm or the big comb for 15 to 30mm.

Adjustable zoom ring

Easily select and set your desired hair length by turning the integrated zoom ring. The length settings are clearly visible on the side of the combs.

2D Contour-following comb

The 2D combs gently follow the contours of your head for a smooth, even and comfortable hair cut.

Skin-friendly

Rounded edges on the blades and combs are designed to avoid scratching the skin for a more comfortable experience.

Corded and cordless use

For flexibility and convenience the headroom can be used with or without the power cord.
