

HP Vivid White Glossy Polyester Film

HP Vivid White Glossy Polyester Film is a top-quality 6.73-mil white opaque polyester film with a super-glossy white finish for universal use. Compatible with dye and pigment inks and suitable for a wide range of full-colour inkjet applications.

Ideal for graphic designers, print service providers, sign shops and photographers.

Superior dot control yields brilliant colours with the widest colour gamut.

Get high edge definition, with no bleeding.

Exceptional durability, thanks to polyester film base.

HP Vivid White Glossy Polyester Film

Compatibility

For compatibility information, please refer to the latest Large Format Supplies Compatibility chart on www.hp.com/go/designjet/supplies

For the latest ICC/media profiles, please visit www.hp.com/go/designjet/supplies (click on ICC profiles and select your printer). For non-post script printers see your external RIP vendor.
