

# Pocket Card Reader

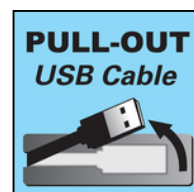

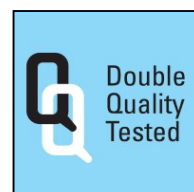

Item no.:

## 133-68

EAN:

5705730133688

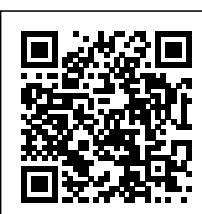

No need for special cables, complicated software installations or awkward wireless settings. The Sandberg Pocket Card Reader allows you to quickly and simply read and write to your memory card wherever and whenever you like. A smart solution whether you want to put music on your mobile phone's micro memory card, holiday snaps that have to be read from the camera, or something completely different.
