Highlights

(c)UL and GS safety Certified

This mount meets and exceeds safety standards as certified by official certification organizations like (c)UL and GS.

All you need is in the box

The product is delivered with all the required accessories that allows the consumer to enjoy the product without having to return to the store and buy a part that is required.

Easy 3 step installation

By using the 1-2-3 installation steps the mount can be easily installed by yourself with the confidence of a straight result (drill tools not supplied)

Exclusive arc design

The exclusive arc design incorporated in this wall mount allows you to adjust the leveling of the TV by simply sliding the TV sideways (patent pending).

High strength aluminum alloy

The innovative aluminum alloy materials used for the construction of this mount are of high strength and still light weight. The high strength enables a small and safe design. The light weight material characteristic results in decreased transportation efforts that help reduce environmental impact of this product.

VESA compliant

This product has near universal compatibility through its support for the VESA mounting patterns.

Screen sizes 19"-31" / 48 -79cm

The wall mount is capable to hold TVs with different screen sizes.

For TVs up to 44 Lbs/ 20 Kg

This wallmount is certified for TVs up to 44 Lbs / 20 Kg.

Tilts 15° down

Allow the TV to be adjusted down 15° to attain the optimum viewing angle.
