

Philips
USB battery pack

Universal

DLP6000

Recharge multiple times on the go

with a portable back-up power pack

Have power wherever and whenever you need it - it gives you the extra power for more than two full charges. Including micro- and mini-USB cables, iPad, iPhone and iPod cable, and power-status light. Also available in different colours.

Charge your mobile devices

- A great spare or replacement cable to have on hand
- Micro-USB cable included to connect and charge
- Mini-USB cable included to connect and charge

Portable power

- Recharge your devices multiple times on the go
- Works with USB-based devices
- Works anywhere - great when you're not near a power source

Smart design

- Hidden power-indicator light to confirm status at a glance
- Integrated cable management to keep things organised

PHILIPS
