

HP Collector Satin Canvas 400 g/m²

HP Collector Satin Canvas is ideal for printing museum-quality display prints, sharp black-and-white photographs and collector editions. This heavyweight, natural-white, cotton canvas has a satin finish.

- HP Collector Satin Canvas enables you to create beautiful, museum-quality prints with consistent, precise colour and sharp detail with a traditional fine art look and feel on a natural-white cotton canvas.
- Improve productivity — HP Collector Satin Canvas dries quickly so you can handle, process and finish prints without worrying about smudging or long dry times. This artist's canvas stretches without cracking to produce exquisite finished art pieces.
- Long-lasting prints and excellent image stability when used with HP Vivera pigment inks.

Fine artists, professional photographers, art reproduction houses and graphics-oriented print service providers seeking a long-lasting, high quality medium with a distinctive satin finish.
