Convenient and easy to use

- 3-CD changer for WMA/MP3-CD music playback
- Clock, alarm and sleep timer
- Connection for TV or DVD player

Be a singing sensation

- Karaoke for endless singing entertainment at home

PHILIPS

Highlights

MAX Sound

MAX Sound technology produces an instant boost in bass, maximizing volume performance and instantly creating the most impressive listening experience with just the touch of a button. Its sophisticated electronic circuitry calibrates existing sound and volume settings, instantly boosting bass and volume to maximum levels without distortion. The end result is a noticeable amplifying of both sound

spectrum and volume and a potent audio boost that will add mileage to any music.

Compatible with WMA and MP3 CD

Compatible with WMA and MP3 CDs

MP3 Link

The MP3 link connectivity allows direct playback of MP3 content from portable media players. Besides the benefit of enjoying your

favorite music in the superior sound quality delivered by the audio system, the MP3 link is also extremely convenient as all you have to do is to plug your portable MP3 player to the audio system.
