

Sound to suit your every need
PC speakers

PHILIPS
sense and simplicity

Sound to suit your every need

Enjoy multi-media content from your PC with speakers that are tailored to your every need. The Philips range of PC speakers offers elegant and modern designs that fit comfortably into your home, as well as bold and progressive ones that reflect your gaming experience. Whatever your whim or fancy, you'll find a set that suits your needs. Premium sound quality is not the only thing we promise to deliver in our PC speakers. Expert engineering and design, careful selection of materials and top quality finishing are the first steps we take toward building speakers that offer first-class audio.
