- Number of consumer packagings: 2

Highlights

\$350,000 equipment warranty

Protects your connected equipment for the life of the product.

Power Blocker

Automatically shuts down power to the connected devices.

12 outlets - 4 adapter spaced

12 outlets - 4 adapter spaced outlets allow you to plug in oversized adapter plugs without blocking the other outlets.

4 ft power cord

Provides power to the unit which can be 4 feet from the AC outlet.

Cord Management

A cord management device that allows the cable/cords to be routed in the same direction for a more organized appearance

Right angle plug

This flat design allows for more positioning options and lets furniture sit more closely to the wall.

Key Hole Mounting

Key Holes can be used to mount the unit directly to the wall by placing them over the screw heads and lowering into place

automatic child safety outlets

Helps keep children safe from accidental shock.

Protection indicators

LED lights let you know if your surge protector is functioning properly.
