

Discontinued Twin electronic breast pump

- Includes 2x 4oz bottle

SCF314/02

Breast pump designed for comfort

Unique active massage cushion for optimum comfort

Being stressed or in a hurry can make it more difficult to release your milk. So feeling comfortable and relaxed really helps. The Philips Avent SCF314/02 breast pump has been designed to increase your comfort when you are pumping.

Benefits

Designed for comfort

- Patented soft 5-petal massage cushion
- Remembers your personal rhythm

Clinically proven effective

- Gentle with clinically proven results*

Other great features

- Unique system for easy milk storage

PHILIPS

Features

Clinically proven results

Our gentle electric breast pump is so effective that it's clinically proven to express similar amounts of milk as compared to a hospital grade electronic pump*

Patented soft massage cushion

The unique active massage cushion is intended to help stimulate natural let-down

Remembers your personal rhythm

Only Philips Avent's electric breast pumps have a unique memory feature that learns and continues your personal pumping rhythm for maximum comfort

Unique milk storage system

Make your life easier by expressing directly into any of our wide range of Philips Avent baby bottles and breast milk storage containers for the fridge or freezer
